

We support XM Radio completely and enjoy the traffic & weather, etc. that is available to us through XM.
Please, do not let them limit XM's ability to provide us with "locally oriented" content, including the new XM Instant Traffic & Weather channels.

Satellite radio provides variety and quality that are not available elsewhere. We pay for these services and it should not be up to the National Association of Broadcasters to dictate what we are permitted to hear. We respectfully urge you, the FCC, to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that we demand and deserve.

We Sincerely Thank you,
John & Gloria Withers
